PARTOUT, POUR TOUS, LE VAR, ACTEUR DE VOTRE QUOTIDIEN

LE DÉPARTEMENT

An exceptional heritage

The monastery of La Celle is a listed building belonging to the « Département du Var » since 1990. Built between the end of the XIIth century and the beginning of the XIIIth century, it is a remarkable testimony of Romanesque Art in Provence. Women from aristocratic families retired here and contributed to make it famous all along the Middle Ages. The ongoing restoration should result in the complete reconstruction of the convent.
